**Remarks**

In view of the above amendments, the applicants submit that all of the claims now pending are in allowable form.

**OBJECTIONS****1. Allowable Subject Matter**

The Examiner objects to claims 11-12 as being dependent upon a rejected base claim. The Examiner has indicated that claims 11-12 would be allowable if rewritten in independent form. Applicants have amended claim to include the limitations of claims 8 and 11. Applicants have cancelled claims 8 and 11. In view of this amendment to claim 1, applicants believe that claims 1-7, 9-10 and 13 are in allowable form.

**2. Claim 12**

The Examiner objects to claim 12 as being a substantial duplicate of claim 11 regarding the recitation of a fourth rather than a third prism. Applicants have amended claim 12 to depend from claim 1 as amended to include recitation of a third prism. In view of this amendment to claim 12, the basis for the Examiners' objection thereto has been removed. Therefore, it is respectfully requested that this objection be withdrawn.

**3. Claim 9**

The Examiner objects to claim 9 because of informalities. Applicants have amended claim 9 to remove reference numbers therefrom. In view of this

amendment to claim 9, the basis for the Examiners' objection thereto has been removed. Therefore, it is respectfully requested that this objection be withdrawn.
